

ARTGLASS LIFETIME ACRYLIC

Your art deserves nothing less than the best!

Art has cultural value that reaches far beyond its price tag. Our cultural masterpieces require protection, but they also deserve to be seen by the world.

Artglass Lifetime Acrylic is the ultimate glazing choice for exceptional clarity and maximum artwork protection.

»» Exceptional clarity

Artglass Lifetime Acrylic is made from the purest acrylic substrate and treated with anti-reflective coatings that remove most visible light reflections and ensure maximum clarity.

Maximum artwork protection

Artglass Lifetime Acrylic meets all of the requirements for professional art conservation, and blocks more than 99% of UV light. It is also shatter resistant, providing additional physical protection.
